

# Tarrant County Coordinated Campaign

*2020's most important coordinated campaign in the United States.*

## An Opportunity to Turn Texas Blue, Finally and For Good

Tarrant County is the most important flip opportunity in the biggest battleground state in the country. By running a robust coordinated campaign, we can:

- Flip five State House seats,
- Elect two new Congressional members in razor-thin margin districts,
- Elect a new Democratic Sheriff, and eleven judicial candidates, in the largest Republican controlled county in the United States

## How to Win

We can win Tarrant County by bringing together every Tarrant County Democratic Party volunteer, Democratic clubs and support organizations, and candidate campaigns to register and turnout Democratic votes across the county.

### Primary Goals

#### **Find our new Democrats**

**Massive boost in Vote By Mail participation for Democratic Seniors**  
**Mobilize Democrats in the fall, major emphasis on Early Voting push**  
**Work smart, and prioritize safety and health of TCDP volunteers**
